**Product Description**

Everbuild Hand Armour is a smooth barrier cream, ideal for protecting skin against wet or dry contaminants. HAND ARMOUR protects your most important tools in three important ways;

- ✓ Creating a barrier against contaminants
- ✓ Reducing abrasion
- ✓ Nourishing and re-fattening skin

**Benefits**

- Proven effective formulation in wet and dry
- Non greasy
- It can protect skin on elbows , knees etc not just hands
- No perfume

**Limitations**

- HAND ARMOUR is not a replacement where gloves are recommended for use with products. HAND ARMOUR is an extra layer of protection.
- Where physical risks are presented such as cuts gloves should be worn.
- Not to be taken internally.
- When handling chemical products always read hazard information and follow instructions on personal protective equipment (PPE).
- Avoid contact with eyes and damaged skin.
- Store only in original container
- It is the users responsibility to determine suitability for use. If in doubt contact technical services department for advice.

**Application**

Apply a small amount (about the size of a 5p coin) to bare skin and massage in, take extra care of cuticles and the webs of fingers. Use HAND ARMOUR around three times a day, especially just before working and after cleaning

### **Storage**

Store in cool dry conditions away from direct sunlight between 5 and 25°C. Storage outside these parameters will significantly reduce shelf life. Ensure good ventilation.

### **Shelf Life**

12 months from date of manufacture 6 months once open
