

SPIDER & CRAWLING INSECT KILLER

SPIDER SPRAY
For eliminating spiders from
homes and other premises.

USE BIOCIDES SAFELY/READ THE LABEL

300ml e

Active Ingredients: Tetramethrin (0.18% w/w), Permethrin (0.14 w/w)

Doff® Spider & Crawling Insect Killer is an Insecticide formulation for eliminating spiders from domestic premises, offices, factories and warehouses, and other institutional buildings. Doff® Spider & Crawling Insect Killer works as surface treatment against spiders but also against crawling insects such as ants, cockroaches, woodlice, ticks and fleas.

Directions for use:

- Shake well before use.
- For direct spray - Spray directly towards insects for 2-3 seconds from 60-90 cm away.
- For surface spray - Spray evenly along surfaces from 20-30 cm away where spiders or crawling insects may harbour or have been seen.
- Re-apply as necessary.

STATUTORY CONDITIONS RELATING TO USE:

Read all precautions before use. This product is approved under The Control of Pesticides Regulation 1986 (as amended) for use as directed. Users must comply in full with all their legal responsibilities under The Control of Pesticides Regulations 1986 (as amended), including complying with all conditions of approval.

FOR USE ONLY AS AN INSECTICIDE.
