BUILD**

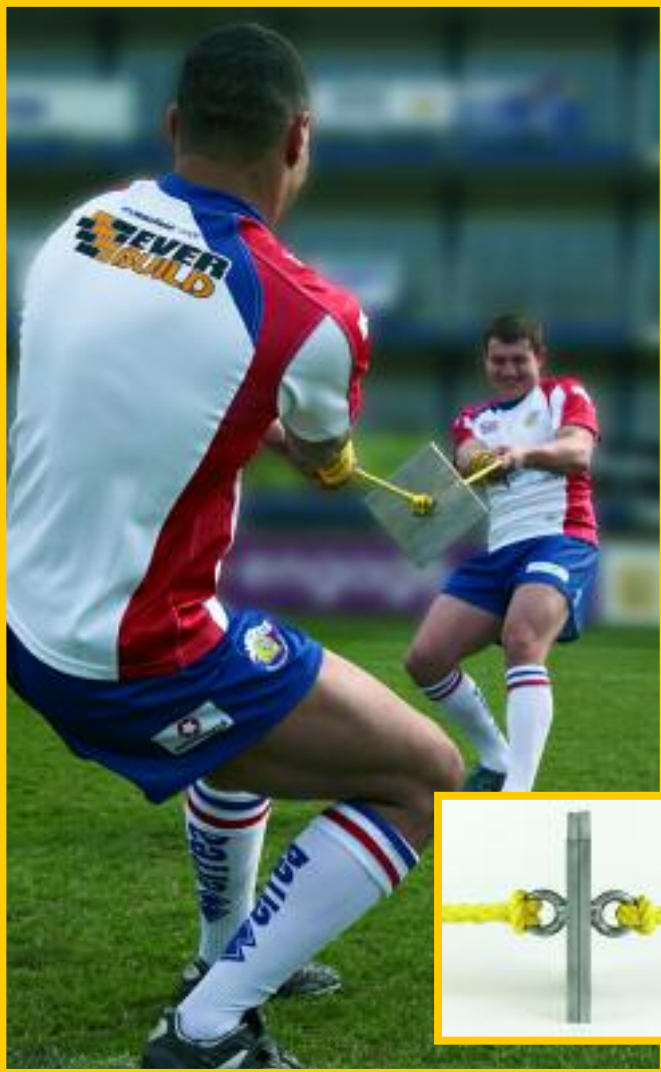

**THE TAPE THAT THINKS
IT'S A GLUE!**

THE NEVER
THE BUILT
MAMMOTH

DOUBLE SIDED **POWERGRIP**[®] TAPE

Double Sided Powergrip Tape can be used in the office to avoid unsightly screws

You can also use Double Sided Powergrip Tape instead of drilling and plugging

Double Sided Powergrip Tape is resistant to moisture & can be used outdoors

Double Sided Powergrip Tape is probably the strongest tape ever produced. In laboratory tests the tensile strength after immediate bonding showed:

Beech - Beech	1 inch overlap	0.78Nmm ²
Aluminium - Aluminium	1 inch overlap	0.52Nmm ²
PVC - PVC	1 inch overlap	0.42Nmm ²

Even Ryan Atkins and Brett Ferres of Wakefield Trinity Wildcats and England Internationals couldn't pull apart the 20lb steel plates secured by Powergrip!
