

Faithfull (FAIUBARS)

# Utility Bars Twin Pack 175mm (7in) & 375mm (15in)

The Faithfull Utility Bar is manufactured from high-quality alloy steel and is powder-coated to ensure maximum resistance to rusting. The flat bar with bevelled ends is designed for such tasks as opening boxes, crates and manhole covers. It is ideal for removing nails and prying lightweight doors and windows, as well as a multitude of other light levering applications. Makes a useful addition to the tool kits of most professionals and some handymen. This versatile tool enables a wide range of light-duty work to be performed in and around the workplace or home. 1 x Faithfull Utility Bars Twin Pack 175mm (7in) 375mm (15in).
