

XMS (XMS22KNIFEHV)

Hultafors Hi-Vis Retractable Knife

The Hultafors Hi-Vis Retractable Knife has an ergonomic design. Its angled design has a pronounced finger grip and narrowing tip that affords excellent grip when measuring and cutting plasterboard in a single stroke. The knife has a durable zinc housing with a screw wheel for easy opening without the use of tools. The handle contains a practical, spring-loaded blade magazine that holds 10 spare blades (60mm). Few moving parts and magnetic fixings make changing and cleaning blades easy. The blade can be locked in 4 stages. Supplied with 10 blades. Available in 3 different colours. Colours supplied at random.
