Parts

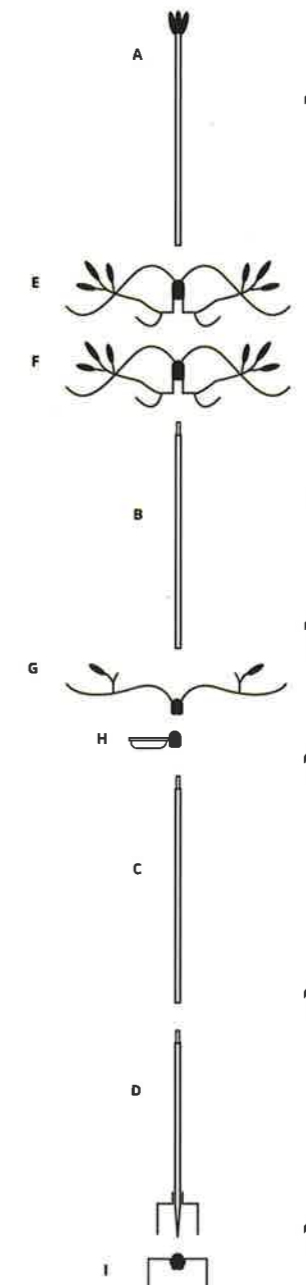

Ensure that all the parts listed below are enclosed. If parts are missing, please contact your retailer. Please ensure that the unit is secure before use.

Included Parts:

- 4 x Section Poles
- 10 x Decorative Hooks (3 bars)
- 1 x Mesh dish
- Ground Stake

Assembly:

- 1 Slide the Ground Stake (I) part through the pointed Section Pole (D) & tighten using the connected wingnut screw.
- 2 Connect a second Section Pole (C) above. Twist into position and click together to secure.
- 3 Slide the Mesh Dish (H) and a Decorative Hook piece onto the Section Pole (C), connecting a third Section Pole (B) above. Click into place. The Mesh Dish and Decorative Hook pieces can be slid up and down and adjusted to a height to suit. Secure by tightening the connected wingnut screw. Parts E, F & G can be interchanged to suit.
- 4 Slide the remaining Decorative Hook pieces into place onto the Section Pole (B), connecting the final Section Pole (A) above. Click into place. Adjust the Decorative Hook bars to a height to suit. Secure again by tightening the connected wingnut screws.
- 5 Stake into the ground securely and finish by adding bird feeders (not included) onto the hooks.
