

XMS (XMS22GORBAR2)

Gorilla Bar® Twin Pack

The Roughneck Gorilla Bar is made from drop-forged alloy steel which has been hardened and tempered. It features polished tips, its oval shape provides better control and strength. Its low profile claw fits further under the workpiece for increased prying power, and its wider claw surface offers better control whilst resisting sinking into the support surface. This twin pack contains 1 x Gorilla Bar Junior 356mm (14in) 1 x Gorilla Bar 558mm (22in)
