

Roughneck (ROU65671)

FSC® American Hickory Hatchet 800g (1.75 lb)

The Roughneck Vintage Hatchet handles are made from 100% genuine American Hickory, FSC 100%. The hickory has been smoke treated for moisture resistance and is fixed to the head with a steel and wood wedge for a very secure and safe fixing. The heads are made from high-quality alloy steel that has been heat-treated and tempered for longevity. Fully polished with a clear lacquer finish for anti-rust protection and a sharp edge for easy cutting. Certified to DIN 5131 and GS standards. 1 x Roughneck FSC American Hickory Hatchet 800g (1.75 lb)
