Rustins (RUSNFS500) Strypit Paint & Varnish Stripper 500ml

Rustins Strypit is a non-caustic dichloromethane -free gel suitable for removing multiple coats of paint or varnish applied to wood, metal, glass, stone and masonry surfaces. Strypit works best when applied liberally and allowed to penetrate after 2 applications. The gel consistency permits effective use on vertical surfaces. 1 x Rustins Strypit Paint Varnish Stripper 500ml
