

XMS (XMS22PUGLOVE)

SCAN Black PU Coated Gloves Pack of 5

Scan Black PU Coated Gloves are made from knitted nylon with a seamless finish and a fine polyurethane coating over the palm and fingers. The back of the glove is uncoated to provide ventilation to the hand, avoiding perspiration and clamminess. These gloves are suited to work where a high level of dexterity is needed along with a good protection factor. Typical applications include packing, inspection and fine component assembly operations. Conform to EN 388:2016 and EN ISO 21420 Standards. Abrasion Performance Index (1-4): 4 Blade Cut Performance Index (1-5): 1 Tear Performance Index (1-4): 3 Puncture Performance Index (1-4): 1 Pack of 5 Pairs.
