

Version 1.1

### SECTION 1: Identification of the substance/mixture and of the company/undertaking

### 1.1 Product identifier

Trade name

Sikafloor 245 Level Deep Fill Ultra

### 1.2 Relevant identified uses of the substance or mixture and uses advised against

Product use : Mortar, Floor levelling compound

### 1.3 Details of the supplier of the safety data sheet

Company name of supplier	:	Sika Limited Watchmead Welwyn Garden City Hertfordshire. AL7 1BQ
Telephone	:	+44 (0)1707 394444
Telefax	:	+44 (0)1707 329129
E-mail address of person responsible for the SDS	:	EHS@uk.sika.com

### **1.4 Emergency telephone number**

+44 (0)1707 363899 (available during office hours).

### **SECTION 2: Hazards identification**

### 2.1 Classification of the substance or mixture

Classification (REGULATION (EC) No 12	72/2008)
Serious eye damage, Category 1	H318: Causes serious eye damage.

### 2.2 Label elements

Labelling (REGULATION ( Hazard pictograms	( <b>EC)</b> :	No 1272/2008)	
Signal word	:	Danger	
Hazard statements	:	H318	Causes serious eye damage.
Precautionary statements	:	Prevention: P280	Wear eye protection/ face protection.
		Response:	
		P305 + P351 +	P338 + P310 IF IN EYES: Rinse cautiously with water for several minutes. Remove con- tact lenses, if present and easy to do. Con- tinue rinsing. Immediately call a POISON CENTER/ doctor.

Version 1.1

Hazardous components which must be listed on the label:

• Cement (chromium reduced)

### 2.3 Other hazards

The content of soluble Chromium (VI) is not greater than 0,0002% in accordance with Annex XVII, Paragraph 47 of the EU Regulation 1907/2006. The product reacts highly alkaline with water.

This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.

### **SECTION 3: Composition/information on ingredients**

### 3.2 Mixtures

### Components

Chemical name	CAS-No. EC-No. Registration number	Classification	Concentration (% w/w)
Cement (chromium reduced)	65997-15-1 266-043-4	Skin Irrit. 2; H315 Eye Dam. 1; H318 STOT SE 3; H335	>= 5 - < 10
Substances with a workplace expo	sure limit :		
Quartz (SiO2)	14808-60-7 238-878-4		>= 40 - < 60
Limestone Contains: Quartz (SiO2) <5µm >= 0,1 %	1317-65-3 215-279-6		>= 20 - < 25
plaster of paris	26499-65-0 Not Assigned		>= 2,5 - < 5

### **SECTION 4: First aid measures**

### 4.1 Description of first aid measures

	General advice	:	Move out of dangerous area. Consult a physician. Show this safety data sheet to the doctor in attendance.
	If inhaled	:	Move to fresh air. Consult a physician after significant exposure.
	In case of skin contact	:	Take off contaminated clothing and shoes immediately. Wash off with soap and plenty of water. If symptoms persist, call a physician.
. –			

Revision Date 27.10.2020	Version 1.1	Print Date 27.10
In case of eye contact	: Small amounts splashed into eyes car sue damage and blindness.	
	In the case of contact with eyes, rinse of water and seek medical advice. Continue rinsing eyes during transpor Remove contact lenses.	
	Keep eye wide open while rinsing.	
If swallowed	: Do not induce vomiting without medica Rinse mouth with water.	
	Do not give milk or alcoholic beverage Never give anything by mouth to an u	
4.2 Most important symptoms a	nd effects, both acute and delayed	
Symptoms	: Excessive lachrymation	
	See Section 11 for more detailed infor and symptoms.	mation on health effects
Risks	: No known significant effects or hazard	ls.
	Causes serious eye damage.	
4.3 Indication of any immediate	medical attention and special treatment	needed
<b>4.3 Indication of any immediate</b> Treatment	medical attention and special treatment : Treat symptomatically.	needed

6.3 Methods and material for co	nta	inment and cleaning up	
Methods for cleaning up	:	Pick up and arrange disposal without creatives Keep in suitable, closed containers for dis	
6.4 Reference to other sections			

For personal protection see section 8.

### **SECTION 7: Handling and storage**

### 7.1 Precautions for safe handling

Advice on safe handling	:	<ul> <li>Avoid exceeding the given occupational exposure limits (see section 8).</li> <li>Do not get in eyes, on skin, or on clothing.</li> <li>For personal protection see section 8.</li> <li>Smoking, eating and drinking should be prohibited in the application area.</li> <li>Follow standard hygiene measures when handling chemical products</li> </ul>
Advice on protection against fire and explosion	:	Avoid dust formation. Provide appropriate exhaust ventilation at places where dust is formed.
Hygiene measures	:	Handle in accordance with good industrial hygiene and safety practice. When using do not eat or drink. When using do not smoke. Wash hands before breaks and at the end of workday.
7.2 Conditions for safe storage, in	ncl	luding any incompatibilities
Requirements for storage areas and containers		Keep container tightly closed in a dry and well-ventilated place. Store in accordance with local regulations.
Further information on stor- age stability	:	Keep in a dry place. No decomposition if stored and applied as directed.

7.3 Specific end use(s)

Materials to avoid	:	No data available					

Version 1.1

#### 10.6 Hazardous decomposition products

No decomposition if stored and applied as directed.

### **SECTION 11: Toxicological information**

### 11.1 Information on toxicological effects

#### Acute toxicity

Not classified based on available information.

#### Skin corrosion/irritation

Not classified based on available information.

## Serious eye damage/eye irritation

Causes serious eye damage.

### Respiratory or skin sensitisation

**Skin sensitisation** Not classified based on available information.

### Respiratory sensitisation

Not classified based on available information.

### Germ cell mutagenicity

Not classified based on available information.

#### Carcinogenicity

Not classified based on available information.

#### **Reproductive toxicity**

Not classified based on available information.

#### STOT - single exposure

Not classified based on available information.

### STOT - repeated exposure

Not classified based on available information.

### Aspiration toxicity

Not classified based on available information.

### **SECTION 12: Ecological information**

#### 12.1 Toxicity

No data available

### 12.2 Persistence and degradability

No data available

### 12.3 Bioaccumulative potential

No data available

Version 1.1

### 12.4 Mobility in soil

No data available

### 12.5 Results of PBT and vPvB assessment

### **Product:**

Assessment	This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher

### 12.6 Other adverse effects

### Product:

Additional ecological infor-	:	There is no data available for this product.
mation		

### **SECTION 13: Disposal considerations**

# **13.1 Waste treatment methods** Product : The generation of waste should be avoided or minimized wherever possible. Empty containers or liners may retain some product residues. This material and its container must be disposed of in a safe

		way. Dispose of surplus and non-recyclable products via a licensed waste disposal contractor. Disposal of this product, solutions and any by-products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers.
Contaminated packaging	:	15 01 10* packaging containing residues of or contaminated

by dangerous substances

### **SECTION 14: Transport information**

### 14.1 UN number

Not regulated as a dangerous good

### 14.2 UN proper shipping name

Not regulated as a dangerous good

### 14.3 Transport hazard class(es)

Not regulated as a dangerous good

### 14.4 Packing group

Not regulated as a dangerous good

Version 1.1

#### 14.5 Environmental hazards

Not regulated as a dangerous good

### 14.6 Special precautions for user

Not applicable

14.7 Transport in bulk according to Annex II of Marpol and the IBC Code

Not applicable for product as supplied.

### **SECTION 15: Regulatory information**

### 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

REACH - Restrictions on the mar the market and use of certain dan preparations and articles (Annex	igerous substances,	:	Conditions of restriction for the fol- lowing entries should be considered: Cement (chromium reduced) (Number on list 47)	
Regulation (EC) No 649/2012 of t ment and the Council concerning of dangerous chemicals	•	:	Not applicable	
International Chemical Weapons Schedules of Toxic Chemicals an	( )	:	Not applicable	
REACH - Candidate List of Subst Concern for Authorisation (Article	:	None of the components are listed (=> 0.1 %).		
	REACH - List of substances subject to authorisation			
,	Regulation (EC) No 1005/2009 on substances that de-			
Regulation (EC) No 850/2004 on lutants	:	Not applicable		
REACH Information:	All substances contain - registered by our ups - registered by us, and - excluded from the reg - exempted from the reg	strea l/or gula	am suppliers, and/or tion, and/or	

Seveso III: Directive 2012/18/EU of the European Parliament and of the Council on the control of major-accident hazards involving dangerous substances. Not applicable

Volatile organic compounds	:	Law on the incentive tax for volatile organic compounds (VOCV) no VOC duties
		Directive 2010/75/EU of 24 November 2010 on industrial emissions (integrated pollution prevention and control) Not applicable

If other regulatory information applies that is not already provided elsewhere in the Safety Data Sheet, then it is described in this subsection.

Version 1.1

: Environmental Protection Act 1990 & Subsidiary Regulations Health, safety and environmental regulation/legislation Health and Safety at Work Act 1974 & Subsidiary Regulations specific for the substance or Control of Substances Hazardous to Health Regulations mixture: (COSHH) May be subject to the Control of Major Accident Hazards Regulations (COMAH), and amendments.

### Other regulations:

This product contains cement. Wet cement or mortar may cause alkali burns if in direct and/or prolonged contact with the skin. Wear protective clothing at all times when working with cement based products.

### 15.2 Chemical safety assessment

No Chemical Safety Assessment has been carried out for this mixture by the supplier.
