

STANLEY® (STA075468)

FatMax® 5-in-1 Diagonal Pliers 180mm (7in)

These Stanley FatMax 5-in-1 Diagonal Pliers are manufactured from induction hardened drop forged steel for increased working life and durability. With a semi flush cut tip for highly accurate flush cutting of soft materials. Fitted with bi-material grip handles providing a comfortable and secure grip. This diagonal plier also has a number of other features: a wire stripper to strip 1.5mm<sup>2</sup> - 2.5mm<sup>2</sup> wire, a wire cutter to cut wires up to and including 1.8mm piano wire, a wire crimper die to crimp 1.5mm<sup>2</sup> - 2.5mm<sup>2</sup> wire and a bolt cutter with two dimensions of bolt croppers to cut M3 - M4 bolts, threaded for an accurate cut.
