

STANLEY® (STA036336)

FatMax® Next Generation Tape 10m/33ft (Width 32mm)

The Stanley FatMax Next Generation Tape has a compact twin-core mechanism that enables an ultra-compact package without compromise. An advanced metal dual return spring allows for a reduction in overall size, while retaining maximum strength and performance. 3-shot reinforced, high-impact housing that incorporates an ergonomic design, making it comfortable to hold, easier to handle and use. The MAXSHIELD protective blade coating provides 20x the abrasion resistance when compared to lacquer coatings. With 15cm of BladeArmor , 2x the normal length, and 4m of blade straight stand-out for greater reach and efficiency. With reduced sag for easier hooking at length. There is also a lanyard tether, which reduces the risk of dropping when working at height. Accuracy: EC Class II This Stanley Tools FatMax Next Generation Tape has metric and imperial graduations. Specification: Blade Length: 10m/33ft Blade Width: 32mm Accuracy: EC Class II

Blade Length
10m/33ft
