

STANLEY® (STA075409)

# FatMax® Curved Jaw Lockgrip Pliers 180mm

These Stanley FatMax Lockgrip Pliers are made from high-performance steel with a protective, rust-resistant black finish. Their TRULOCK mechanism ensures that there is no accidental release, yet allows easy release with a simple to operate lever. The pliers have an optimised jaw geometry and tooth design to deliver outstanding grip performance. 1 x Stanley FatMax Curved Jaw Lockgrip Pliers 180mm
