

STANLEY® (STA010827)

FatMax® Fixed Blade Folding Knife

The Stanley FatMax Fixed Blade Folding Knife has an ergonomic design for comfortable, extended, heavy-duty use. Its soft hand grip and thumb pad ensure comfort and control, whilst its belt clip enables convenient knife transport. The knife has a metal body for added durability. It has an in-built tape cutter for opening boxes without damaging the contents. The knife has a quick blade change mechanism and on board blade storage for convenient and quick blade replacement. Length: 170mm.
