

Ronseal (RSLTWSU5L)

Thompson's One Coat Water Seal 5 litre

Thompson's One Coat Water Seal uses a unique micro silicone emulsion to stop water penetration. Apply just one coat directly onto damp surfaces to provide long-lasting waterproof protection within hours. Stops damage caused by freeze and thaw. Reduces efflorescence. Suitable for use on brick, concrete, stone and wood. Specification: Coverage: 4m² per litre
Flammability: Flash point above 61 C Application: Brush or Roller Drying Time: 2 Hours Approx. 1 x Ronseal Thompson's One Coat Water Seal 5 Litre
