

WD-40® (W/D44392)

WD-40 Specialist® Degreaser 500ml

WD-40 Specialist Degreaser is an industrial strength degreaser and cleaner that works immediately on contact to break down and remove stubborn and heavy soiling such as oil, grease, dirt and grime. WD-40 Specialist Degreaser has a fluid consistency and powerful discharge making it easy to use, leaving no residue behind. Simply rinse or wipe away for a clean finish. The fast-acting spray will quickly clean tools, machinery, engines, chains and gears, removing any containments that may cause wear and tear, ensuring that your equipment stays running smoothly for longer.
